## Innovative Solutions in Air Vents & Separators

[www.caleffi.us](http://www.caleffi.us)

- Air vents 1/8" to 1/2" brass body NPT with or without service check valve
- DISCAL air separators from 3/4" to 2" brass body NPT female connections
- DISCAL air and dirt separators from 2" to 6" welded steel body ANSI flanged
- DISCAL uses a non-corrosive coalescing mesh instead of a copper baseboard insert
- DISCAL straight flow design reduces water velocity to release micro bubbles of air
